

Deck Detail

We have decks covered

Thank you for choosing Deck Detail. We are a full service deck maintenance company. We specialize in cleaning, sealing, building and maintaining residential decks. We have been in business for 20 years serving the Detroit Metropolitan area.

We are experts in the care of exterior wood and use only the finest materials. Our employees are well trained, courteous and our work is guaranteed.

FAQ's

Q. How long will the sealer last?

A. Depending on your deck conditions, expect the sealer to last 1-1/2 to 3 years. Please refer to our website for further information on how to care for your deck.

Q. How do you apply the sealer?

A. All sealers are applied according to the manufacturers recommendations, They may be brushed, sprayed or rolled depending on the individual deck conditions.

Q. What if it rains?

A. We can powerwash decks in the rain as long as there is no threat of lightening. Most sealers need a minimum of 4-8 hours to dry. However, this can vary depending on the weather and the conditions of your deck. If it rains soon after sealing and you are concerned, please contact our office.

Q. Will powerwashing harm my deck?

A. Honestly, yes it can, if too much pressure or an incorrect technique is used. However, Deck Detail uses custom built, low pressure equipment specifically designed for decks. We rely on environmentally friendly cleaning chemicals, not high pressure to clean the deck. All of our crews receive yearly training in powerwashing and sealing.

Q. Do I need to remove my furniture?

A. We request that all personal items be removed from the deck before we begin. If you are unable to remove an item, please contact our office and we will make arrangements.
